Rocks Injure Boy, 13

Michael D. West, 13, son of Jack West of Lemon Grove, was injured June 26 when he and a friend, Gary A. McGee, 14, also of Lemon Grove, went swimming in Hansen's pond on Sweetwater road.

The boys said that while they were swimming two older boys threw rocks at them from the bank of the pond. Michael was hit on the left eye and on the upper left side of his head. Albert was hit on the left shoulder.

Mr. West said that Michael threw up while at supper that night, and that the family doctor said it might have been internal hemmorage or concussion. Prosecution will depend on the extent of Michael's injuries.

Pond Incident Gets Serious

BULLETIN — A recent rock - throwing incident at Hansen's Pond on Jamacha road June 26 that started as a prank has developed into a near-tragedy. It has been determined that one of two boys hit, Michael D. West of Lemon Grove sustained a fractured skull and a blood clot in one eye.

The three rock-throwers, aged 13, 14 and 15, have been apprehended. Two of them admitted throwing the rocks that injured Michael but they cleared their companion of blame. The three were released to their parents following the latters' promise to make restitution.

Cal Western Slates Drama Of Terror

Suspense and terror will stalk the stage in the final Summer Community Theatre presentation to be staged by California Western University.

"The Night Is My Enemy," a play by Fred Carmichael, is based on the plot of the "Spiral Stair Case," and will open July 18, Tuesday evening at 8 p.m. The mystery will be directed by William Barbe, son of the director of the Fine Arts Division at California Western University.

STUDENTS OF NEWEST SCHOOL HOLD RALLY

Over 150 students got together June 1 in the quad at Monte Vista High for rally during which they gave a few school yells and sang. Each student was given a map of the school and had a chance to inspect the buildings and grounds.

HOLIDAY DELAYS REPORTS OF SUPERVISORS MEETINGS

SAN DIEGO (CNS) — The weekly meeting of the County Board of Supervisors this week was held on Wednesday, instead of the regular Tuesday date, because of the July 4th holiday.

Sups Silent On Kearny Deal

Grand Jury Blasts Supervisors For 'Unbusinesslike' Methods In Operations Center Site Deal

SAN DIEGO (CNS)—"No comment" was the answer Monday by members of the County Board of Supervisors to requests for a statement on the attack on the Board by the County Grand Jury, based on the manner in which the Kearny Mesa site for an operations center had been purchased.

Board Chairman David W Bird, who had been at a State Supervisors' Assn. meeting in Monterey when the grand jury issued its critical report last Thursday, was the first buttonholed by newsmen on his return to Civic Center.

Bird said only that he had nothing to say, and Supervisor Frank A. Gibson was equally silent. Gibson had also been in Monterey last week.

Supervisors Robert C. Cozens, De Graff Austin and Robert C. Dent were not at Civic Center Monday.

T. M. Heggland, chief administrative officer, who was also at the state group's meeting, said he was not preparing an answer to the grand jury report.

Heggland backed up the statement of his chief aide, Fred Morey, that the jury had erred in charging because of delay in picking a site it was going to cost the county $9,617 per month, for rent on the present operations center after July 1.

He pointed out that this is being offset by income on the $2,885,000 the state is paying for the site, the money having been turned over the same time the rent started.

The grand jury report blasting the County Board of Supervisors for its spending of almost $500,000 for land for an operations center was issued Thursday afternoon during an unprecedented hour-long press conference held by the County Grand Jury.

INTERIM REPORT

The report, it was also stated, is an interim one, but questions from newsmen as to studies of Supervisors' bank accounts, travel expenses and gifts from persons doing business with the county were not answered.

Leo Shaw, grand jury foreman; stated that the investigations are continuing, but he would neither confirm nor deny reports on the nature of the inquiry.

In the interim report, only Supervisor Robert C. Dent got a clean bill of health as to the purchase of a site on Kearney Mesa from Terrace Court Construction Co. Dent voted against buying the land.

The Board was lambasted for the manner in which it acquired the property in April, 1961. The price was $425,000, with another $150,000 likely to be required from county funds to make the site usable, according to the grand jury report.

The points made against Supervisors were that they failed to require Terrace Court Construction to post a bond to guarantee up to $200,000 of work the seller may have to perform; that they released the full purchase price without such a bond; that they required no financial statement from the company, or C. W. Carlstrom, its principal officer, to show the required $200,000 would be forthcoming; that they did not have a survey made of the property, with the result that the site has been found to be two acres short of the 38 acres the county thought it was buying; that they did not even have a preliminary title report made, so that an existing cloud on the title has just been revealed, and that they joined in a "gamble" with Carlstrom against the possibility that the San Diego City Planning Commission and City Council may rule that the land cannot be used for an operations center.

SELLER COULD LOSE

The grand jury report points out near its conclusion one of the ironies in the sale of the land by Carlstrom. That is, if he has to live up to all the commitments eked out of him by the office of T. M. Heggland, chief administrative officer for the county, his company will lose more than the $120,000 profit it made on the land the county bought. These expenditures, calling for street improvements and removal of a gas transmission line now running through the property, would amount to $200,000 or more, the grand jury states.

The county, too, would suffer additionally, it is stated, because plans now drawn for the operations would have to be scrapped. In fact, it is added, the site may not be usable at all. Rumors at Civic Center has it that city officials will now make no concession, to avoid grand jury censure.

"It would be difficult to conceive of a transaction involving $500,000 of public funds," the grand jury report, concluded "which could be negotiated in as uninformed, ill-considered and unbusinesslike manner as was the purchase of the site."

No mention was made in the report of a trip to Las Vegas made by Supervisor Frank A. Gibson and his wife and Mr. and Mrs. C. W. Carlstrom while the purchase negotiations were going on or of two boxes of oranges that Gibson received from Carlstrom.

These have been admitted by Gibson, and they are believed to be the subject of a future report, dealing with other Supervisors relations with persons doing business with the county.

Buckner Named L.G. School Board Prexy

Warren Buckner, long-time member of the L.G. school district board of trustees, was elected board president Saturday at the group's annual organizational meeting. Such a meeting each July 1 is prescribed by law.

Elected to various offices were the following: Trustee Jack Long, clerk, and District Administrator Byron Netzley, secretary.

Buckner will represent the district on the County Committee on School District Organization.

The board approved a meeting schedule which sets the second and fourth Mondays as regular meeting nights except in July and August when a meeting August 1 will stand for the July 31, August 14 and 28 meetings.

Kids With Matches Start Two Blazes

Children with matches started two grass fires in the Lemon Grove area last week, according to Capt. Harry Alexander of the Fire Department. He said the same thing happens every year.

"The odd thing about most of the fires set by children," he said, "is that usually the kids start them with the intention of extinguishing them right away. But the fires often get out of control."

At noon on June 29 the fire department put out a grass fire at the end of Florine dr. in Lemon Grove that blackened three-fourths of an acre. A book of matches was found on the scene and the fire marshall was reported seeking children that had been reported in the area.

KIDS START FIRE

About noon on July 4 the local department fought a mutual aid fire with the City of San Diego firemen on the 1300 block on 69th st. San Diego apprehended the children who started this one-half acre fire by playing with matches.

A dryer motor shortcircuited and burnt up at the Economy Wash at 7272 Broadway on the evening of June 28. No other damage was reported. On July 3 at 10:35 p.m. a trash fire at 7101 Imperial ave. was attributed to "failure to completely extinguish a control burn." It did no damage.

The fire department has had no ambulance calls for the past two weeks.

CHASED MAN CHARGED WITH DISTURBING PEACE

A 56-year-old Lemon Grove man was charged lately with disturbing the peace and vagrancy after he was chased from a corral belonging to Mr. and Mrs. John J. Blecha of Lemon Grove. He is Jack W. Lee of 5133 Olvera St.

Goodbye to the Girls

Farewell again, little girl with the silvery voice.

Goodbye, all you unseen beauties whose beings have helped close the gap from here to far-away.

The last contact allowed us with telephone operators is being cut off, a sad situation it is, too.

The Pacific Telephone Co. is distributing stickers this month asking each subscriber to take unto himself one more do-it-yourself chore. This time you are being asked to dial an area code number. Or, conversely, you are to request those who call you from great distances to use your area code number. Your number in the Lemon Grove-Spring Valley area is 714. To call us, say from Bowling Green on our HOpkins 9-0101 line, the caller would see us as a sort of enlongated social security number. We'd be 112-714-469-0101.

112 drops the user into the direct dialing process. 714 designates one of the 100 code areas in the U.S. 469 represents HO 9, the exchange section of our telephone numbers see your telephone dial to transform letters to figures, and, the last grouping is the rest of our telephone number.

It should be pointed out that there are certain places where it is not necessary to start with 112 to drop into the direct dialing process.

The only contact we will now have with the switchboard girls will be the entirely impersonal moment when she asks "What is your number?" . . . and I understand the electronic wizards are trying to find a number substitute for that, too.

The thought is frightening. More girls being replaced by numbers, a continuation of the death blow dealt us when the dialing system was first started.

If thousands of girls can be replaced by numbers by the telephone company, think what would happen if a government bureau decided to do away with wives and girl-friends, and make us use numbers as a substitute.

Right away we'd dial 36-21-36.

High Pay For Non-production

A New York state farmer with the unlikely name of William T. Smith is our candidate for the person having the best plan for un-communizing the United States.

Farmer Smith, a dairy and poultry farmer with a 1,200 acre ranch (to use the California idiom) became disturbed when he got an initial payment of $3,049 of a government subsidy of $6,500 for not raising 40 per cent of corn his ranch

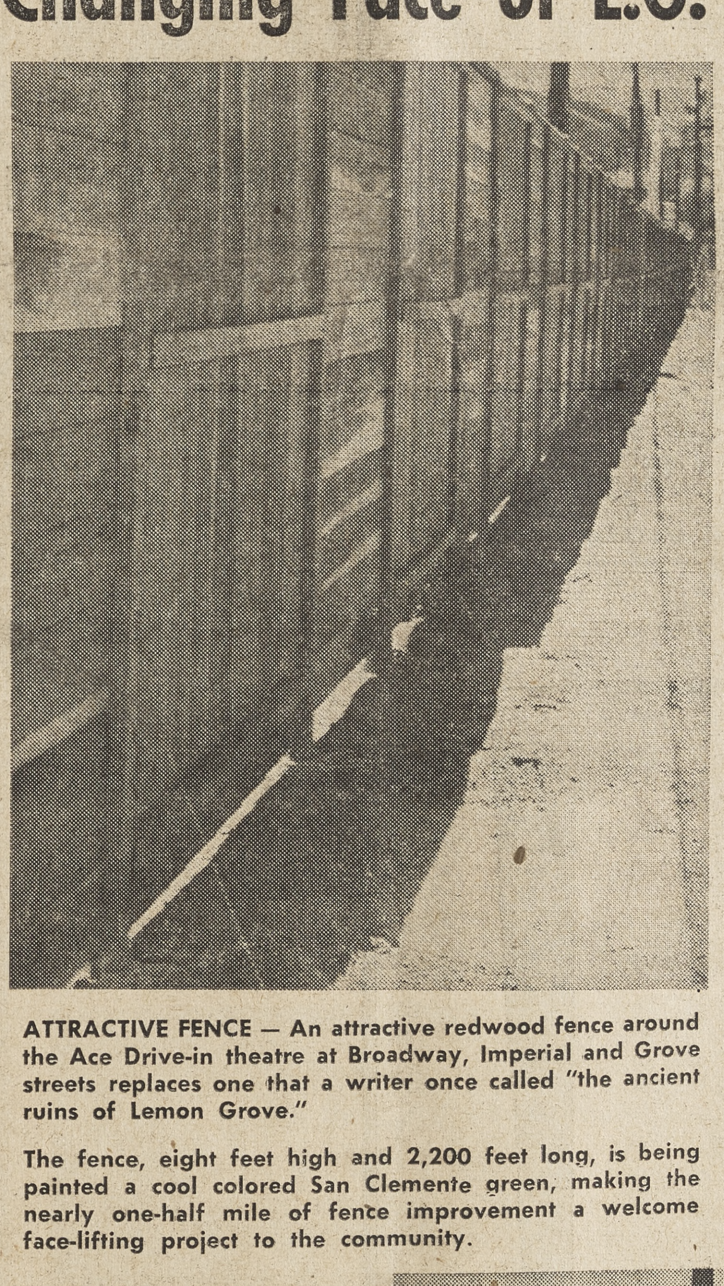
Changing Face of L.G. Firms Denotes Faith In Its Future



ATTRACTIVE FENCE — An attractive redwood fence around the Ace Drive-in theatre at Broadway, Imperial and Grove streets replaces one that a writer once called "the ancient ruins of Lemon Grove."

The fence, eight feet high and 2,200 feet long, is being painted a cool colored San Clemente green, making the nearly one-half mile of fence improvement a welcome face-lifting project to the community.

Business Vitality Spurs Remodeling

A new, brighter face in the business section of Lemon Grove is beginning to emerge after several months of non-improvement doldrums.

While there have been new structures during this period, it is the face-lifting of the old, we feel, that best indicates the building owners' response to the returning business vitality. . .and his faith in the future.

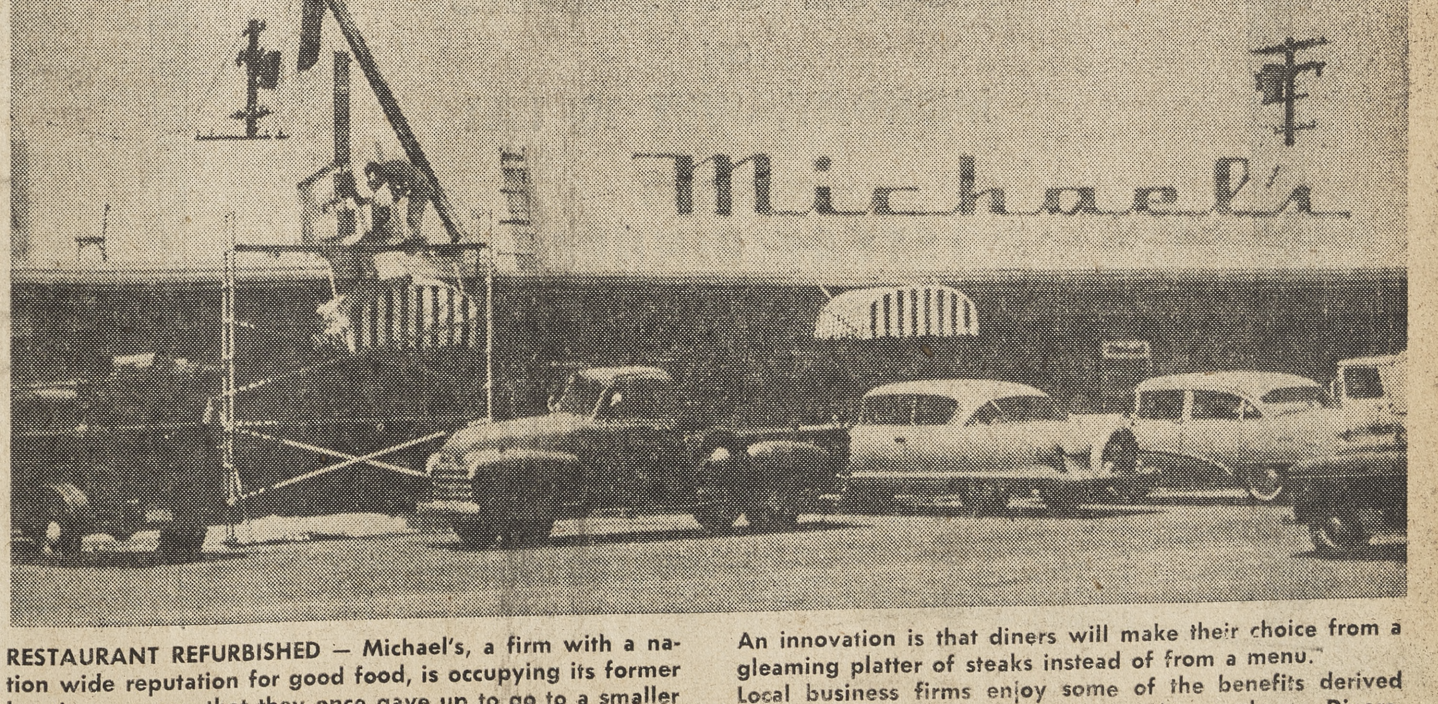
Venture capital, say the investors, is often used to build new structures when the economy of the community is low. Better building contracts usually are available then. No such impetus is considered when business firms, already established, begin to remodel, enlarge, dress-up and replace.

In the latter cases the determination is more functional. . .and more responsive to buying habits of the townspeople. Here are pictured several face-lifting jobs in progress in Lemon Grove. . . improvements made possible by the willingness of local people to shop at home.

BARBER SHOP
CLEANERS

FACE LIFTED—The building which houses the Dutch Cleaners and Barber Shop is a relatively new building at 7268-70 Broadway but Mrs. Regina Fleharty, building owner, is giving it a new facade. While the building is being redone, Cleaner Bill Vandenberg is remodeling the interior and installing new, more-modern equipment.
The barber shop, overcome by the facelifting work, was competely redecorated. In all, the building is only a shell of its former self, looking younger and prettier than ever.

INTERIOR REMODELED — The Lemon Grove Drug Store, one of Lemon Grove's first retail businesses (a food market and a hardware store excepted) is undergoing an expansion. Floor space has been increased 75 per cent to accommodate more merchandise . . . and more customers. According to store owners Harry and Ruth Burris, sales pressure was such that the store had to be expanded or moved. The front of the building will be redone in glass just as soon as the finishing touches are applied to the improvements already made, the couple said. Staff photo.



RESTAURANT REFURBISHED — Michael's, a firm with a nation wide reputation for good food, is occupying its former location . . . one that they once gave up to go to a smaller place. The 7828 Broadway location is undergoing a complete remodeling and reopening next week; it will strive to regain the pinnacle of good steak dinner reputation.

An innovation is that diners will make their choice from a gleaming platter of steaks instead of from a menu."
Local business firms enjoy some of the benefits derived from added traffic such an enterprise produces. Diners, more concerned with gustatory delights, may find what they are seeking at the reopened, remodeled restaurant.

Question of the week: Should wives be allowed to watch daytime television?

(This is first in a series to be conducted weekly by Pat McGehee, inquiring reporter.)

R. E. BRESNAHAN

R. E. Bresnahan, electrician 7218 Carmenita rd., Lemon Grove:

"Certainly, if there's a sufficient amount of time and the children are well taken care of. Housewives need to have some relaxation.

"It would really be up to the individual situation. I'm real happy with the one at our house where television is not overemphasized."

Mrs. Joan Larch-Miller housewife, 1748 Costada ct., Lemon Grove:

MRS. JOAN LARCH-MILLER

"You're darned right! You can do a lot of work like ironing during television and it is much less boring. And you can always learn something by watching television.

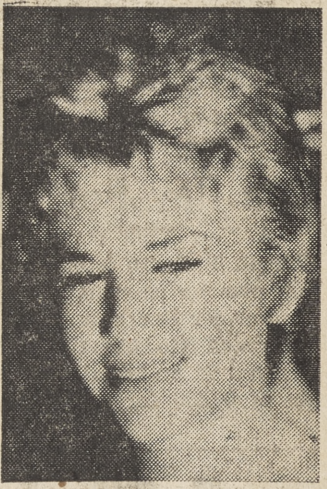
"There are so many good programs that there's always a good one to see. I watch certain programs daily. If many housewives are like me, the only time they can really watch a program of their choice is in the daytime."

JOHN NEUSTAEDTER

John Neustaedter, retired carpenter, 3640 Costa Bella st., Lemon Grove:

"If they're through with their work, yes. And if they're tired, watching television is a good way for them to enjoy their rest.

"However, I don't think every home should have a television. Some people might have too different of interests. I don't believe my wife watches overly much. But usually when she has a program on I go up and get a beer."



VICTORIA ASHE

Victoria Ashe, a freshman at San Diego State College, formerly of Madrid Way in Spring Valley and now of 4564½ Altadena in San Diego:

"No. Wives should watch television in the evening when their husbands do or their relationship can be jeopardized. Probably many husbands watch television as much as three hours a night, and, if wives are 'watched out' from viewing television during the day, how can they enjoy it together in the evening.

"I believe that wives should devote their days to baking something special for the family, writing letters or taking up a hobby. I don't even want a television in the house when I get married. At least half of the programs aren't worth watching because they are too stereotyped. There are some good programs, however."

League Chooses Stars

Fourteen boys have been selected for the all-star roster of the Lemon Grove Little League. They are Dave Wollos, Leonard Wingo and Bill McGrath of the Braves; Phil Graham, Mike Lannom and Mike Hastings of the Cubs.

Also, Tommy Carroll and Ken Patterson of the Dodgers; Dave Tyer and Randy Clark of the Indians; Mike Kreger, Gary Frohn and John Hendrix of the Yankees and Dennis Lockhart of the Tigers.

All-star alternates are Paul John of the Pirates, Jim Murguia of the Cubs and Chris Johnson of the Tigers.

Area play-off games are scheduled for July 20, 21 and 22. District playoffs will be 27, 28 and 29. They will be at Lemon Grove Little League Field.

Dividend Declared By 1st National

The board of directors of The First National Trust and Savings Bank has declared a semi-annual dividend of 50 cents a share on common stock, par value $5, payable one-half in August and one-half in November.

Jack W. Koop, vice president and manager of the bank's Lemon Grove branch, said the bank will pay 25 cents a share on common stock Aug., 1961 to shareholders of record July 20, 1961 and 25 cents a share on Nov. 1, 1961 to shareholders of record Oct. 20, 1961.

More than $528,000 will be distributed among the 2,250 shareholders, said Koop.

Avoid misunderstandings and possible financial loss by obtaining all bids and estimates in writing. The San Diego Better Business Bureau cautions — a guarantee is only as good as the person making it.

14-YEAR OLD BOY HAS BURGLARY ROUTE

A fourteen-year-old boy has been remanded to the County Juvenile Division after his arrest for entering a barber shop at 3460 Olive st.

The lad, who lives on Crane street in Lemon Grove, admitted entering Roby's barber shop and taking a gallon of apple juice from the refrigerator in the living quarters in the rear of the shop.

He also admitted taking lead and copper from the Palm avenue junior high school building project earlier in the month and selling it to a junk firm in National City. He said he took five batteries from the premises of Forrest DeFrate, a garage operator who lives at 8333 Golden ave., Lemon Grove. These were also sold to the junk dealer. He also said he had taken more than 100 soft-drink bottles from area premises and burglarized a great number of garages in the Lemon Grove area on a regular schedule. He refused to give the name of other juveniles he said were involved.

INDECENT EXPOSURE

A charge of indecent exposure was brought against an Alpine man by Mrs. Mary Lou Elliot of 7153 Mt. Vernon st., Lemon Grove. She said the man exposed himself in the parking lot at the Carman Ranch club on Sweetwater rd. With the aid of her husband, already inside the club, and some members in a nearby auto, she made a citizen's arrest of the accused. The man said he was a former member of the club and had come to watch swimmers. Sheriff's deputies carted him to county jail when his answers proved unsatisfactory.

MARIJUANA RANCHER'S HEARING

Lemon Grove's most publicized rancher, Joe Cornelius Fleming, 27, self-admitted cultivator of marijuana at his trailer, space 31, 7872 North ave. will get a preliminary hearing July 13 in El Cajon Municipal Court.

Fleming was arrested last week after detectives of the sheriff's narcotics detail and federal narcotics agents arrested him after weeks of surveillance. He is charged on two counts. He admitted growing possessing and using marijuana. He is being held in county jail.

It's Just Applesauce, Mam!

Better Than Crime, Local Reporter Reports

Mrs. Betty Seymour Robinson, crime reporter for this newspaper, won two first prizes for her cooking prowess at the S.D. County Fair this week. Her applesause "stole" the canned fruit show after she practically "robbed" a Casa de Oro market of ten pounds of apples at super-bargain prices.

She earned a first prize ribbon for her canned applesauce and another blue ribbon for her canned loquats. In the apricot department she took two third prizes: one for apricot halves and one for apricots whole.

Mrs. Robinson, who lives at 10096 Casa de Oro blvd., Spring Valley, said the applesauce prize came as the result of her womanly lack of sales-resistance for a bargain. She bought the tag-end of a crate of apples for about 3c a pound in a local market when apples were selling for 2 pounds for 29c. She immediately transformed the ten pounds of apples into applesauce and the applesauce then went to the fair.

Nielsen Graduates From Maintenance School At Ft. Ord

FORT ORD, CALIF. (AHTNC)—Army Pvt. Howard J. Nielsen, son of Mr. and Mrs. Geahart H. Nielsen, 9577 Campo rd., Spring Valley, Calif., completed the automotive maintenance helper course at Fort Ord June 23.

Nielsen was trained to perform organizational, field and depot maintenance on automotive vehicles and to evacuate and recover all types of automotive material.

The 23-year-old soldier entered the Army last January.

Nielsen is a 1957 graduate of Helix High School, La Mesa, and attended San Diego Jr. College.

Baseball Clown Jackie Price makes two appearances at Westgate Park this week. He'll perform for "Convair Night" Wednesday, then come back the following evening for another show.

KATHLEEN HOLMES EUROPE BOUND—Kathleen Holmes, daughter of Mr. and Mrs. G. C. Holmes of 1271 Darby St. in Spring Valley, leaves Sat., July 8, for a study tour of Europe. She is taking part in a summer school offered by Cal Western University with the cooperation of the University of Lausanne, Switzerland, combining the values of resident study and inspiring setting. She will be taught conversational French three weeks by professors of the University of Lausanne, and tour seven countries of Europe with a group the remaining four weeks.

School Budget Slashed

The Grossmont Union High School District Board of Trustees in facing up to a $274,095 deficit eliminated services in the amount of $228,043 and made a further cut in undistributed reserve in order to bring the preliminary budget into balance.

Services which were temporarily removed from the budget include the following:

1. Cut landscaping at Monte Vista High School, $6,000.
2. Reduce capital outlay budgets at each of the seven high schools by 50 per cent, $30,000.
3. Eliminate the every student accident insurance program, $54,000.
4. Reduce travel allocation, $9,000.
5. Hold the adult education program at its current level, $20,000.
6. Eliminate the opening of libraries in the evening, $7,560.
7. Reduce curriculum library additions, $1,000.
8. Cut audio-visual materials, $6,950.
9. Reduce in-service training program scheduled during the regular school year, $4,825.
10. Eliminate expansion of Adjustment-Continuation Schoool, $15,708.
11. Hold the expenditure for educable mentally retarded students at the present level, $12,000.
12. Reduce custodial services, $61,000.

If additional funds are made available as is possible from general Federal aid, additional cuts will be unnecessary and it it possible that the Board might consider restoration of some of these items to the budget.

On the other hand if Federal impact funds are not approved by the Federal Government further cuts will be essential. The budget figures as presented by associated superintendent Harold G. Hughes in April indicated a lower per pupil expenditure for this year than last. Enrollment will increase by an estimated 17 per cent while expenditures were held to 14 per cent.

The reductions made at this meeting would further decrease the per pupil costs for next year if the action is confirmed at the final budget hearing scheduled for August 7. Any necessary terminations of employes caused by the budget cuts would not be effective until after August 1 the Board decided.

The Board authorized sale of $1,590,000 bonds in order to finance the additions to Helix Grossmont, Mount Miguel, and El Cajon Valley high schools.

could normally produce.

Farmer Smith took the dough and bought a Cadillac, and drove throughout the county agricultural and stabilization district. He had signs attached to the Cadillac big enough for even the near-sighted to see. The signs admitted that the car was bought with funds acquired for not raising corn. Additionally, it had signs thanking J.F.K. and Secretary of Agriculture Orville Freeman for their generosity.

We admire Farmer Smith for his astute thinking. He could have done nothing that would have stirred up taxpayers more. The Cadillac is a status symbol if ever there was such, and flaunting it among his fellow taxpayers he has brought together the extremes the communists call "decadent democracy."

On one hand the driver is advertising the waste of the tax collecting government by paying people exhorbitant amounts for not doing things. On the other hand the status symbol properly indicates to what heights a "non-doer" can rise by "not doing."

Why it's almost like having to supply a new car to San Diego mothers of illegitimate children so that they may comfortably drive to the welfare department to pick up their aid-to-needy-children benefits.

Part of what is taken from your paycheck this week goes to pay for Farmer Smith's Cadillac. It also goes to the casually moral mother who is encouraged to have more children out of wedlock by the bounty of the welfare department.

Let no one underestimate the mental agility of San Diego City Manager George Bean.

Last week he predicted a cut in the city tax rate. Modus operandi?

Simple.

Raise Taxes.

Actually, the proposal is for boosting fees for building, electrical and plumbing permits and housing inspection to augment the anticipated increase in assessment values and increased income from motor vehicle license fees. This would permit a small cut in the city tax rate.

Fees may not be taxes in the legal dictionary, but to the taxpayer there is no difference.

Everyone Loves Hoffa

We tried to follow the logic of Jimmy Hoffa's diatribe delivered before the teamster's union delegates in Florida earlier this week.

As we understand it from Hoffa, nobody is really opposed to Hoffa except the Justice Department, and the women Hoffa says the J.D. employs to weaken the morals of his delegates; the press of the United States; other unions, and people. The latter group is comprised of probably every right-thinking person who feels that Hoffa should not be given the added power, the increased pay, nor the five-year contract until he has been cleansed of the suspicion of dishonesty.

Retailers Saluted For Promoting U.S. Bond Sales

WASHINGTON, D.C.—America's retailers were saluted July 3 by the treasury department for their contributions to the U. S. Savings Bond program since 1941.

The tribute was expressed in a public service newspaper ad announcing July as "Retailers' Month" in the bond program's 20th anniversary year calendar of salutes to prominent volunteer groups. The ad recalled that local merchants had played a key role in mobilizing community support for the early defense bond program and for the bond drives which helped finance the Nation's war effort.

INSURANCE TAX REVENUE INCREASES

The State Board of Equalization assessed insurance taxes totaling $66,583,785 in 1961 against the 718 companies which were authorized to do business in California during 1960 according to Richard Nevins, Fourth District Member of the State Board of Equalization. These taxes exceeded by $5,262,000, or 8½ per cent, the comparable assessments of last year. The yield from this source was more than 2½ times as great as that of a decade ago.

La Presans Meeting Tonight To Discuss Community Problems

A group of La Presa Colony citizens are holding a meeting tonight to discuss issues of importance to them. Headed by Donald E. Mills, temporary chairman, who lives at 821 Paraifo st., the Better Government Committee proposes to take action on some issues and to decide what action to take on others.

Mills said the public is invited. The meeting tonight will be at 7 p.m. in the Mt. Miguel high school library.

According to Mills, the committee has covered each of the 160 homes in the Colony to determine how people feel about things. He said there is much unity of attitude on certain issues. Under discussion tonight will be:

MOVE-ONS

How to stop the "move-ons." Move-ons are old homes and buildings transplanted from somewhere else. The building of freeways helps create such a trend.

Minimum lot sizes.

Minimum square footage in a home. Mills said most of the people are in favor of both of these.

Rezoning of Jamacha blvd. and Grand ave. Mills declined to take sides on this issue. He said the action the committee takes will be up to what the majority of the Colony people want.

Other members of the committee are Jerry Lauderdale, Bill Travis, J. B. Ellston, Verne Garcia, Joe Garcia and John Wood, all of La Presa Colony.

WESTERN ROUND-UP SLATED FOR AUGUST

A western round-up sponsored by the Temple Beth Am is planned for Aug. 5 at 8 p.m. on the temple grounds in El Cajon City. There will be square and social dancing as well as entertainment. A chuckwagon dinner is planned. The public is invited and those wishing to purchase tickets can call HO 3-0584.

L.G. Council Presidents Hang Plaque

INSTALLED — The clock-plaque for Community Service, given to this newspaper by the Lemon Grove Coordinating Council, is inspected by members of the group.
In the picture are the Rev. E. Walter Smith, pastor of the L.G. Congregational church who is past president of the Council, and Dr. Dennis McLaughlin, a dentist, who is the 1961 president.
The massive clock, which measures 16½ inches across, is inscribed: Lemon Grove Coordinating Council 1961 Community Service award to Max Goodwin. Goodwin is the publisher of the newspaper.
In the presentation to Goodwin at the June meeting of the Council, Rev. Smith said "leadership and cooperation regarding the newly approved green-spot park" was the basis for the award. Staff photo

Indians Beat Tigers; McCormick Pitches

The **Indians** won over the **Tigers** by a score of 13-0 in the June 26 game of the Lemon Grove Little League. Dennis McCormick pitched the no-hitter.

This and other games were characterized by heavy hitting. During the week several bats were cracked.

On June 27 the **Dodgers** beat the **Pirates** 16-6. Randy Swink was winning pitcher and Ron Real turned in a few good innings of pitching also for the **Dodgers**.

June 28. The **Orioles** won by 10-3 over the cubs. Gary Lintvedt and Jim Lukowski both hit homers for the victorious team, Edgil was winning pitcher.

June 29. Gary Frohn pitched a shutout against the **Braves**, winning 2-0 over the **Yankees**.

TIED TWICE

June 30. The **Indians** barely won over the **Cubs** with a 9-8 score. The score was tied twice during this game. In the top of the third a 6-6 was broken when Phil Graham hit a two-bagger that brought in Jerry Lowery. A homer was hit by Jeff Long. It was his first of the season. Dave Tyer hit two homers and Randy Clark of the **Indians** hit one homer, and these helped tie up the score in the sixth inning.

A pop-up in the June 30 game brought in the run that won the game. This hit was by Terry Early. Winning pitcher for the Indians was Mike Tyer but Bobby Kellison and Bruce Johnson also did some fine pitching for the Indians, and Lannom and Steve Graham did outstanding pitching for the Cubs.

ANOTHER CLOSE ONE

July 1. The **Braves** beat the **Pirates** 4-3. Bill McGrath was winning pitcher and Paul John did a good job for the **Pirates.**

Also on July 1 the **Dodgers** won by 7-4 over the **Yankees.** Frohn hit a homer for the **Yankees.** Ken Patterson was winning pitcher. His opponent on the mound, Mike Kreger, also did a fine job of pitching.

Also on July 1 the **Tigers** beat the **Orioles** 6-2. Dennis Lockhart was winning pitcher. Judd Carson of the **Tigers** hit his first homer of the season.

$400,000 Federal Aid Seen For S.V. Sewers

SAN DIEGO (CNS)—Federal aid for the Spring Valley Sanitation district's outfall line down Sweetwater Valley, approved in Sacramento, may run as high as $400,000, according to Supervisor David W. Bird.

The allotment to the district won the highest priority of the State Water Pollution Control Board, tantamount to receiving the largest grant available from the federal government.

Bird said this amount is now $250,000, but that legislation that has already passed the U. S. House of Representatives would boost the total to $400,000. Senate approval of the additional funds is predicted, Bird added.

The money is being made available to the Spring Valley district because of water pollution problems due to overloading of the treatment plant.

"CEASE AND DESIST"

The Regional Water Pollution Control Board has had the district under a "cease and desist" order since last December to force it to take emergency steps to relieve a situation threatening waters in the Sweetwater Valley.

The regional board in April also gave the Spring Valley district its highest priority for federal aid when it submitted the requests for funds to Sacramento.

The cost of the outfall line, to connect with the City of San Diego's Metropolitan System near Montgomery Freeway, is put at $1,500,000 to $2,000,000. The district has in excess of $100,000 in reserves for the project, and the difference between that surplus and the federal aid, and the total will be met through the sale of revenue bonds.

Jean L. Vincenz, director of public works, said this week that another federal government agency has indicated it will buy the revenue bonds and that the time taken to work out details of the bond issue will probably coincide with the time when the larger federal aid will be available.

Final Week End For Del Mar Fair

DEL MAR — The Southern California Exposition and San Diego County Fair heads into the final weekend of its 10-day run tomorrow with a host of special events to attract San Diego County residents who have not been there yet.

Xavier Cugat and Abbe Lane will be the top entertainment attractions over the weekend, presenting a show in front of the grandstand at 8 o'clock nightly. Admission is free.

Meanwhile, judging of the multitude of agricultural floricultural, livestock and other exhibits for $112,000 in prize money still is in progress.

Thievery Strikes Twice In Same Spot

The Spring Valley man who recently took down the curtains in his unoccupied Carlton Hills home but later discovered the curtain rods missing, now reports the theft of two bicycles and an aluminum screendoor from the same house. He said the value of the things is $26.

Your savings earn more at First National Bank with

DAILY INTEREST

HERE'S HOW...

1. Interest on your savings will be computed from day of deposit to day of withdrawal . . . there is no interest penalty for making a withdrawal during the month. *This means that your money earns interest every day,* provided there is a balance in the account at the end of the quarter.*

2. *There is no waiting until the 1st of the month for the interest period to start.* For example: If you make a deposit on the 17th of the month your money starts earning interest on the 17th rather than the 1st of the following month.

3. *Savings deposited by the 10th of any month earn full interest from the 1st.* For example: If you make a deposit on the 8th of the month, you earn interest on that deposit beginning the 1st of that same month.

4. *You may withdraw funds during the last three days of each quarter without loss of interest.**

**Interest on all First National Savings Accounts is paid and compounded at the end of every quarter. Interest quarters end March 31, June 30, September 30, December 31.*

TRANSFER NOW!

To avoid loss of interest on your out-of-town funds, now is the ideal time to transfer them to a First National Daily Interest savings account. Remember ... deposits made by July 10 earn Daily Interest from July 1.

Science Churches Plan Communion Service Sunday

Genuine appreciation of the sacrifice and triumph of Christ Jesus must be expressed in daily living. This is the theme of the Lesson - Sermon on "Sacrament" to be presented at the semi-annual communion service in all Christian Science churches Sunday.

Paul's charge to Timothy, "Watch thou in all things, endure afflictions, do the work of an evangelist, make full proof of thy ministry" (II Tim. 4:5), will be included in the Bible selections.

Mary Baker Eddy declares in a correlative citation from "Science and Health with Key to the Scriptures," "To keep the commandments of our Master and follow his example, is our proper debt to him and the only worthy evidence of our gratitude for all that he has done."

Baptist Church Slates Quarterly Business Meeting

The quarterly business meeting of the Spring Valley First Baptist Church is scheduled for Friday of this week, beginning at 7 p.m. Refreshments will be served following the meeting.

The annual Sunday School picnic will be held Saturday from 9 a.m. to 3 p.m. at El Monte Park. Everyone is asked to bring a lunch but dessert will be provided. All children six years of age and under must be accompanied by a parent or an adult, but all are welcome, says superintendent Charles Gross.

Rev. Eugene Paden, a new student and service personnel worker for the San Diego American Baptist Assn., will bring the message Sunday at 8 and 11 a.m. and 7:30 p.m.

Rev. Roland Taylor and his family are expected back July 16 from vacation.

Bible School Closes; Attracts 200 A Day

The Vacation Bible School "Summer Safari" of the Casa de Oro Baptist Church closed Friday night after a successful five-day session. Rev. Ernest Anderson, pastor, said the average attendance was over 200 each day. In addition to the regular programs the children brought in offerings of money for the missions of India and South America. The VBS staff is grateful to all those who attended, says Rev. Anderson.

The two summer youth programs are now in session. The Junior Highers, sponsored by Mr. and Mrs. Herb Mayer, are meeting in the lower auditorium where they are having a "how-to-do-it" series of instruction. This is Sunday evenings. The group also will have various outings during the summer. The first was a miniature golf party Saturday. This was followed by refreshments and fellowship at the Mayer home.

MEN TO TEACH

The high school-college age group are also meeting in the upper room and starting a series of lessons on "My Church" with men of the church as teachers. On Fridays this group will have outings, the first one to be a beach party at La Jolla shores this Friday. All youth groups attend the Youth for Christ meetings in San Diego each Saturday night. Sponsors of the high school-college age group are Mr. and Mrs. Bart Derrick and Mrs. Lena Anderson.

The Moring church choir will have a potluck dinner and time of fellowship on Friday evening at the home of Mr. and Mrs. Harold Moline. Mrs. Moline is choir director.

The Junior High Girls missionary guild will meet with their counselor, Mrs. M. Maxwell, at her home Thursday from 1 to 4 p.m. to help cut out visual aid materials for the church's new VA library.

Sermon Deals With The Heart

Using a slight parody of a phrase from Shakespeare, Vista La Mesa Church-goers will share a sermon entitled "The Heart's The Thing!" Second in a series from Matthew's account of the Sermon on Mount, the message will reveal how our Lord gave depth to the Old Testament wisdom of "As a man thinketh in his heart, so is he." Also, it will seek to see the meaningfulness of the law as it has come to us through much preaching, much agony; and how Jesus came not to do away with—but to add to!

Accessible from north, east, south and west, Vista La Mesa doors are open to all who seek the meaning of life as we find it through Him who is ultimate meaning and power. VLM services are at 9:45 and 11. Youth services in the evening at 6:30.

THREE WINNERS — Dr. Frank B. Maurice, newly-elected president of the California Chiropractic Ass'n., poses with Nancy Sutton (left) and Rosemarie Scheier who were voted at recent chiropractic convention as Queen and Princess of the Perfect Posture Pageant conducted by the doctors to stress relation of correct posture to good health.

LG Methodist Wins Distinction As Fast Growing

The Lemon Grove Methodist Church received a high honor at the annual meeting of the Southern California - Arizona conference held lately. Of the 411 churches represented there the local one was cited for being the fastest growing one.

The church, which is nine years old, was credited with a 55 per cent increase since June of last year. It was organized in Nov., 1952, by Rev. C. A. Norcross. Rev. Cooke served from 1952-60 and Dr. J. E. Detzer is pastor there now.

The services this Sunday, July 9, will recognize the presentation of a new American flag to the congregation in a special ceremony by the men's club and Scout Troop 333.

Dr. Detzer's message will be "God And My Country" at both the 8:30 and 11 a.m. services.

Methodists Start Youth Program

The first phase of the Foothills Methodist Church summer youth program begins this week, according to a report from Rev. King's secretary. The program will run through September.

The senior highers will meet each Wednesday at 6:30 p.m. at the church for all types of sports and dancing. The junior highers will meet each Thursday at 7 p.m. at the church.

Tour Planned By Congregational Church Women

The women's fellowship of the First Congregational Church of Lemon Grove is sponsoring a bus tour to Huntington Library and Gardens and to the Arboretum there on July 19.

The group plans to leave the church at 7:15 a.m. and return the same day. Tickets, which are $5 to cover transportation costs, may be purchased from Mrs. G. C. Holmes, HO 6-0403, Mrs. Ray Purtee, HO 6-3344 or Mrs. Charles Taylor, JU 2-7063.

A lunch is planned at the park and dinner at Knotts Berry Farm.

E. Walter Smiths Attend Conference

Delegates from the San Diego association of Congregational churches to the biennial meeting of the general council of the Congregational Christian churches which met in Philadelphia June 29-July 2 included Rev. and Mrs. E. Walter Smith, Lemon Grove. Mrs. Smith also attended the third General Synod meeting in Philadelphia following the General Council.

Domestic Gunner Mowed Down By County Ordinance

A Casa de Oro man has been told by deputy sheriffs to stop firing his gun in his neighborhood following a complaint by neighbors that the shooting was endangering them.

One neighbor said that ricochets could easily hurt a member of his family when they were in the back yard. One ricochet, said this neighbor, had already struck the roof of the house on the other side of the shooter's place.

The shooter was reported by this neighbor to be uncooperative about desisting. Deputy sheriffs told the man about a county ordinance prohibiting discharging of a firearm in that locality and also told him that dove-shooting is out of season.

In defense, the man said that doves and diggers had been hurting plants in his yard.

Letters TO THE EDITOR

Dear Editor:

The Spring Valley Taxpayers Against Incorporation June 20 was good as far as it went but it didn't go far enough. The election cannot be stopped, or won, by being sweet, kind, polite and pussy-footing around. The Incorporationists have a two-year start.

I'm for the old-fashioned "town-hall" type meeting for small communities such as Spring Valley but the only two men who managed to get the floor for a minute had important and concrete information We need more of this. Side-stepping issues by claiming not to know the answers, and stopping meetings after only one hour aren't satisfactory.

Many Spring Valley taxpayers and property owners are retired on fixed incomes and increased costs of incorporation would force us to move.

I'm not far from that stage myself, having lived here 20 years. Had I wanted a home in an incorporated community that is where I would have bought. I'm not out to make a fast buck or a quick killing. And I don't like supporting those million-dollar shopping centers.

Since moving to Spring Valley I have served as president of the S.V. Elementary School PTA, senior hostess of the La Mesa USO during the war and helped get the county to put in the walkway along Bancroft so our children would not have to walk in the street going to school. I am past ruth of the Eastern Star, a certificated gray lady at the Naval hospital, chairman of national security in the Mt. Helix chapter of the Business and Professional Women's Club.

I don't know of a single problem in Spring Valley that surrounding incorporated areas don't have several times over with added expenses of exhorbitant taxes. If incorporation were a panacea, why do problems still exist in incorporated areas?

DOG TAXES, TOO

Look at the $31,000 estimated income from court fines and motor vehicles. Who do you think will get "taken" for them? Many of us have dogs How many pay license fees? Well, you'll start if you haven't been. There will be a nice, fat court to enrich the coffers of Spring Valley. Who do you suppose will pay for permits franchises and other licenses?

Compare code area tax breakdown with what it would be in the incorporated dream-world My present tax rate and their estimates are $1.51 apart. How can a city with all department be run for 75c when it cost 83c to run just one of them now?

Look who is pushing incorporation! A lawyer who doesn't live here and thus pays no taxes. A young doctor who rents and thus pays no taxes and a minister who works for a tax-free property owner—a church.

We were informed at the meeting that under a general laws city we would elect only a council man from our immediate area and five men would run the city. Take a look at what happened when the people passed a petition in S.D against parking meters. Did they run their city? They are incorporated.

I urge all Spring Valley residents to sign petitions against incorporation. . .and quick. Let's keep it off the ballot. Let's keep our homes.

Sincerely
Naomi Stanphill Hammett

"LIFE"

Spiritual life is not one of man's possesions from birth His parents can only give him physical life. Spiritual life must come by spiritual means. These means are the Word of God and Baptism. The Holy Spirit brings spiritual life to the person who will yield himself to these.

RELIGIOUS WORKERS BANNED FROM WAIVER

LOS ANGELES—The U. S. Internal Revenue Service announced today that, after June 30, 1961, ministers, members of religious orders, and Christian Science practitioners will not be permitted to withdraw a Waiver Certificate, Form 2031, filed for the purpose of electing social security coverage and paying the self-employment tax as if self-employed.

Peters, Burnett, Padfield Elected To School Board

At the annual meeting of the La Mesa-Spring Valley School District board of trustees last Saturday, the following officers were elected: Albert Peters of Spring Valley, president; (he was also president for the 1956-57 term); Margaret W. Burnett, vice president, and Dr. Cyril J. Padfield, clerk.

The county office at an earlier date instructed that a drawing be held at the board's July 1 meeting to determine which board member should get the two-year term of office; Dr. Edward Smith drew the two-year term. The others will serve four years. Mrs. Anne L. Dewey, the newest member of the board, was sworn in at the meeting.

Police Auxiliary Plans Progressive Dinner July 15

A progressive dinner in this locale will be the highlight of the evening on Saturday, July 15 at 6:30 p.m. for the San Diego Police auxiliary.

The affair will start with cocktails and hors d'oeuvres at the home of Mr. and Mrs. Jearlee Lowery, 1565 Skyline Dr., Lemon Grove. At 8 p.m. the people will go to the home of Mr. and Mrs. James Shively, 8829 Greenview Pl., Spring Valley for the main course and at 9:30 to the Mr. and Mrs. James W. Yeatts home at 1739 Madera, Lemon Grove, for dessert, coffee, and a big party including all sorts of games, cards and dancing.

This event was an enormous success last year. People are still talking about the Italian spaghetti sauce which will be repeated this year. All police couples are invited, not just members. $1.50 per person covers the complete dinner. A big turnout is expected so come join the fun.

Plans For Dance To Be Discussed

The Spring Valley Little League will make plans for a forthcoming dance at a meeting at the home of Marge Mourning, 1365 Walbollen st., Spring Valley, on July 10 at 8 p.m. Anyone interested in helping on the plans is invited.

He is the son of Mr. and Mrs. Ralph E. Nelson, of 1570 Skyline Dr., Lemon Grove.

The other new elected officers will be Paul W. Drew, senior councilor, and Frank W. Setchell, junior councilor. Dennis Thorogood will serve as treasurer.

The newly appointed officers are Richard Yokley, senior deacon; Robert Stanley, junior deacon; Dallis Widick, senior steward; Dudley Watson, junior steward; Roy Winter, chaplain; Richard Liddle, marshall; Michael Myers, scribe; Robert Perkins, almoner; Dudley Griffen, orator; Robert Rosemary, sentinel; Robert Drew, standard bearer, and Steven Weening, proficiency examiner.

The preceptors appointed for the ensuing term will be William Hansen, Lloyd Donald Sage, William Simmons, Donald Lawrence, John Rodgers, Jay Wallace, and Stephen Gregory.

MR. AND MRS. FREDRICK GOOD

LG Man, San Diego Girl Exchange Vows

Constance Lee Forror, daughter of Mr. and Mrs. Joseph Forror of San Diego, exchanged wedding vows with Harvey Fredrick Good, son of Mr. and Mrs. Jacob Good of 1906 Englewood dr., Lemon Grove, on June 16 in the First Church of the Brethren in San Diego.

The nuptial ceremony was performed at a candlelit altar in the presence of 225 guests. Wedding music included songs by Arthur Snell of Santa Ana, who was accompanied on the organ by Mary Etta Holsopple.

The bride, gowned in chantilly lace and taffeta fashioned with scoop neckline, was escorted to the altar by her father. The gown was fitted with bodice and long-tapered sleeves. The scalloped, tiered, full-length skirt ended in a chapel train. A crown of looped pearls secured the chantilly lace-edged illusion veil.

The bride wore a single strand of pearls, wedding gift of the bridegroom. And she carried a cascade bouquet of white rosebuds and stephanotis.

Darlene Day was maid of honor. Bridesmaids were Mary Dell Hutchens, Carol Rockwith and Barbara Bolger. Carol Lee Forror, sister of the bride, was junior bridesmaid. All were gowned in identical lavender delustered satin sheath dresses with chiffon overskirts and wide cummerbunds.

Cousin of the bride was flower girl. She walked down the aisle with the nephew of the groom, who bore the rings.

Best man was John Morrow and ushers were Bill Turpin, his brother-in-law, and La Verne College classmates Fred Michael, Don Redman and Ron Williams.

The bride's cousins, Barbara Jo Forror and Norma Susan Forror, with the bridegroom's sister, Lillian Turpin, assisted at the reception in the church fellowship hall.

The new Mrs. Good is a student at La Verne College where her husband received his degree and joined the faculty after a year of graduate work at Los Angeles State. He is now working toward a Master's Degree there.

IOWANS PLAN PICNIC

Anniversary Fete Of Levis, Laces Attended By 250

About 250 attended the sixth anniversary celebration of the Junior Levis and Laces held at the Women's Club in Lemon Grove June 29 from 6:30 to 10. The event included guest callers, special entertainment, door prizes and cake and punch.

Those in attendance included representatives from eight square dance clubs in the area and a total of nine guest callers. The Spangles and Spurs of Spring Valley were among those present.

LG Pony League Plans July Dance

The Lemon Grove Pony League is sponsoring an end-of-the-season dance July 18 for the boys and their guests. It is to be semi-formal and will be at the Lemon Grove Woman's Club from 7-11 p.m. There will be refreshments, door prizes and a floor show. The Debonairs will provide music.

SV Little League Plans Family Picnic

Jo Ann Allenson, picnic chairman for the Spring Valley Little League, has announced August 6 at Lindo Lake Park as the time and place of the League's family picnic. Each family is to bring its own lunch but ice, coffee and punch will be furnished at the park.

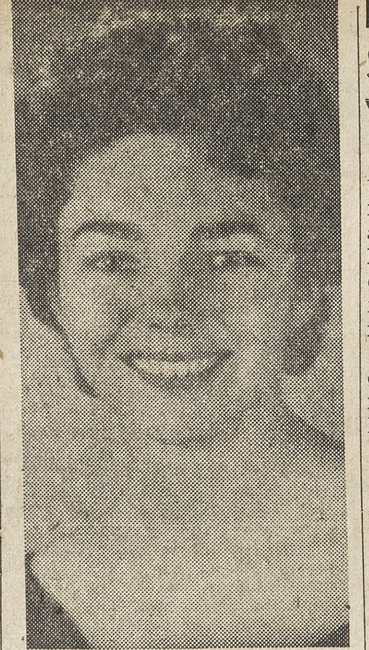
LAWN MOTHS

No one insect does more damage to your lawn today than the lawn moth or sod webworm. I no longer think of them as being a spring, summer or autumn problem. I do not think of them as being seasonal at all because from early spring until late fall, new cycles of lawn moths will appear in various sections of the country with their subsequent hatch of sod webworms creating brown patches in lawns.

Proper timing of the application of your control measures for this pest is very important. Do not apply control measures when the moths are "on the wing," nor immediately afterward. Wait at least a week or 10 days. Then, whatever material you use will be applied as the young worms are starting to hatch and will be many times more effective.

There are several products effective against sod webworms, but many of these materials are poisonous to the birds that eat the worms. For that reason I like to use a combination of copper and ether. It will kill the sod webworms and yet is not poisonous to the birds.



JULY WEDDING BELLS — Mr. and Mrs. Jack L. Strazz, 3923 El Canto dr., announce the approaching marriage of their daughter, Sheila Ann, to George John Warren, son of Mr. and Mrs. George Warren of 245 Date st., Otay.

Miss Strazz, a graduate of Mt. Miguel high school, is manager of Cochran's Record Den in Lemon Grove. Her fiance was graduated from Mar Vista High School and San Diego City College and works at North Island Air Station. The wedding date has been set for July 22.

SV Huff 'n Puffers Elect New Officers

Election of officers was held recently at the Huff 'n Puffers Square Dance Club. The following slate was selected to serve during the last half of 1961: president, Art and Mildred Canfil; vice president, Bob and Betty Andrews; secretary, Genevieve and Bill Bennett, and treasurer, Niel and Tova Nielsen.

Also on the executive board will be senior representatives to the Heartland Federation, Mac and Delcie Lewallen; junior representatives, Ed and Irene Strong; and hospitality chairmen, Nancy and Scotty Mewherter.

Huff 'n Puffers dance the first and third Friday at the Spring Valley chamber of commerce hall, and they invite all square dancers to join them and hear their favorite caller, Al Schaeffer. Next dance will be July 7. Hosts and hostesses for the night will be Mel and Lillian Harrison and Ed and Alberta Judd.

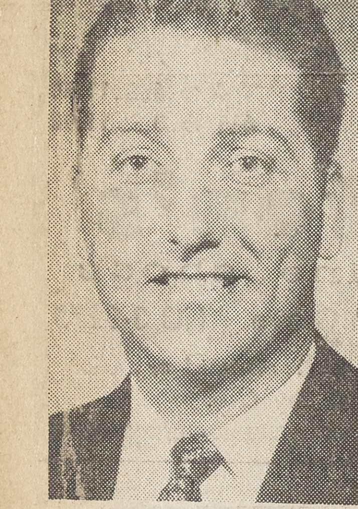
Area Family To Start $16 Million Cement Plant In Baja California

A Spring Valley man and his mother will start developing a $16 million cement mine in Baja California this month.

The man, Wood E. Hart, of 10002 Del Rio rd., a mining engineer, said that more than 200 years supply of cement limestone exists in family holdings at San Vicente, about 100 miles south of Lemon Grove.

The corporation, San Vicente Cementos, S.A. (Inc.) lists Hart's mother, Mrs. Lafayette S. Hart, of 4577 Avocado blvd. La Mesa, as president. Woods Hart, her son, is listed as secretary.

The project was started by Hart's father who died two years ago. Lafayette H. Hart in the final stages of his illness, requested that the San Vicente project be continued. Prior to his death he operated extensive mining holdings in Colorado and during the war was the largest independent producer in the U.S. of critical metals such as lead and zinc.



WOOD E. HART

MINING GRADUATE

Wood Hart, 33, is a graduate of mining engineering at Wyoming U. and Western State at Gunnison, Colorado. He has taken two years of post-graduate work in non-metallic mining at Utah University and has one more year of work before obtaining a doctorate. There are only two other such degrees in the U.S. at present, he said.

Wood, his wife, Michaeline, and his three children, Devin, Suzette and Michael, and his mother, are excited about the new venture. All the family have a love and admiration for the people of Mexico. "They are uncomplicated and sincere," Mrs. Hart said.

"Moreover, they need the boost to the economy the cement mine venture will provide," she added.

The mine covers 500 acres about five miles from the coast where the firm will operate its own dock at Punto De Cobra. More than 200 persons will be employed to produce 1,000 tons of cement a day. Indirectly the mine will provide work for more than 5,000 people.

MEXICO GETS 75%.

The Mexican government has nailed down 75 per cent of the mine's production, Mrs. L. Hart said. The rest will be shipped to San Diego and what's left will be made available to countries in the Far East.

The family employed an Irish-Mexican, an engineer named W. J. Cochran who lives in Ensenda, as superintendent of the quarry.

"It is a Mexican corporation and we have a Mexican partner as it is customary in these cases," Mrs. Hart said. The partner is Felix Chaires Gonzales, a Mexico City industrialist. T. M. Eckhardt, of San Bernardino is the group's U.S. legal counsel.

The machinery to operate the mine is coming from West Germany. Financial and economic consultants and advisors are a London, England group. Legal advisor is an attorney in Mexico City.

Wood Hart and his family will exist in an international atmosphere more than ever when work on the San Vicente mine begins late this month.

Grossmont District Faculty Requests Increase In Salary

The Grossmont Union High School District board of trustees has received a request from the faculty salary committee for a two per cent salary increase which would cost the district $57,000. The request showed improvements in salary from other districts and justified the increase because of the two to three per cent rise in the cost of living.

The current Grossmont Union High School District salary schedule is among top salaries paid by districts in the state. The board felt that the present budgetary outlook does not warrant immediate salary improvement. Recently the Board authorized a letter indicating that salary increases might not be available this year unless financial aid comes from federal or state sources.

The employment of 11 new teachers and one teacher returning from leave was approved. Teachers approved are Miriam Anderson, returning from leave of absence; Garland Gilliam, Martha Hixon, Paul Henneberg, Sharon Peterson, William Simpson, Jack Scherf, Diane Dewey, Walter Halbedel, Easa Harb, and Joan Clay.

Board Announces Low Bidder On Pipeline Project

Low bidder has been accepted on a local pipeline project. The board of directors of the Helix Irrigation District has accepted the Ham Bros. bid of $35,209.35 for project 7950. It was lowest of five.

The project, slated to begin by July 12, consists of the installation of 3,494 feet of six and 12-inch asbestos pipe and replacing old cast iron pipe in Lemon Grove, Spring Valley and El Cajon. It will be completed about Oct. 10.

Sanitation District . . . . . .)

RESOLUTION OF INTENTION TO ANNEX UNINCORPORATED TERRITORY TO THE SPRING VALLEY SANITATION DISTRICT AND NOTICE OF HEARING THEREON

On motion of Supervisor Dent, seconded by Supervisor Gibson, the following resolution is adopted and notice is ordered by the Board of Supervisors of San Diego County;

WHEREAS, the Department of Public Works has requested this Board to annex certain property to said Sanitation District under the provisions of the County Sanitation District Act; and

WHEREAS, the County Boundary Commission has approved the boundaries of the proposed annexation (Document No. 302918); and

WHEREAS, investigation of the proposed annexation by the Division of Engineering of the Department of Public Works discloses that said property is contiguous to said Sanitation District and that it would be desirable and feasible to sewer said property by extension of said District's lines (Document No. 303239); NOW THEREFORE

BE IT RESOLVED AND ORDERED:

(a That it is the intention of the Board of Supervisors of the County of San Diego to annex to the Spring Valley Sanitation District under the provisions of the County Sanitation District Act all of that contiguous unincorporated territory of the County of San Diego, none of which is now included in any other county sanitation district or other district or districts formed for similar purposes, bounded and described as follows:

All that unincorporated territory in the County of San Diego, State of California, lying within the following described boundary:

1. Beginning at the Northwest corner of the Northeast Quarter of the Southeast Quarter of the Southeast Quarter of Section 5, Township 17 South, Range 1 West, S.B.M., said corner being a point in the Spring Valley Sanitation District Boundary;
2. thence leaving said boundary, Easterly along the Northerly line of said Northeast Quarter of the Southeast Quarter of the Southeast Quarter to a point in the Easterly line of said Section 5, beginning also a point in said sanitation district boundary;
3. thence Southerly along said boundary, along the Easterly line of said section to the Southeast corner of said Northeast Quarter of the Southeast Quarter of the Southeast Quarter;
4. thence Westerly along the Southerly line of said Northeast Quarter of the Southeast Quarter of the Southeast Quarter to the Southwest corner thereof;
5. thence Northerly along the Westerly line of said Northeast Quarter of the Southeast Quarter of the Southeast Quarter to the point of beginning.

(b) That said Sanitation District following said annexation shall continue to be known by that name;

(c) That the Board of Supervisors hereby sets Tuesday, the 25th day of July, 1961, at the hour of 11:00 o'clock a.m. in the Chamber of the Board of Supervisors, Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, as the time and place fixed for the hearing of objections to the annexation of said territory to said District, or to the extent thereof.

(d) That the Clerk of the Board of Supervisors is hereby authorized and instructed to publish this resolution of intention and notice of hearing thereon at length in at least two successive issues not more than 30 nor less than 10 days prior to the time of said hearing in the Spring Valley Bulletin, a newspaper of general circulation in the County of San Diego, in the territory proposed to be annexed, and in said Sanitation District.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 20th day of June, 1961, by the following vote:

Dear Editor:

I would like to express my gratitude to the many people who are interested enough in their community to forsee the dangers of incorporation at this time and have busied themselves circulating 'exclusive petitions.'

We don't appreciate having our community disrupted by a handful of people (some not even property owners in the area) who proclaim to be so humanitarian that they are "only looking out for the welfare of us Spring Valley citizens."

If the proponents intentions were unselfish why didn't they wait until the new survey, contracted for from San Diego State College, was completed before attempting incorporation? Had they been confident this survey would recommend incorporation, no doubt they would have waited. Certainly favorable findings would lend them support. But they didn't wait, and this leaves us with the conclusion that these people are bent on incorporation regardless of recommendation.

LITTLE INDUSTRY

The 1958 report from the same source, mentioned above, which is in the proponents' possession, stated that "as a general proposition urban residential areas, however high in quality, do not serve as an adequate tax base for the government services they require," and that should Spring Valley incorporate "the tax rate would be the highest in the county." Since this survey, S.V. has gained two shopping centers, one small, and added substantially to its residential districts, but industrial gains have been practically nil.

The low per capita assessed valuation of other area cities is misleading since a large share of property tax revenues in those cities come from business and industrial property.

Had the proponents waited and the college survey turned out in favor of incorporation, this hastily-formed group to oppose them would likely have been among their staunchest supporters.

Sincerely,
A resident and property owner.

NOTICE OF HEARING OF PETITION FOR INCLUSION OF LAND WITHIN THE HELIX IRRIGATION DISTRICT

NOTICE IS HEREBY GIVEN by the undersigned, the Secretary of the Board of Directors of the Helix Irrigation District that on the 27th day of June, 1961, a petition was filed in the office of said Board of Directors praying for the inclusion of the tract of land in said petition and in this notice hereinafter described within said Helix Irrigation District. The names of the petitioners who signed said petition are as follows:

Ian E. Morgan
Nadine J. Morgan

The tract of land proposed by said petition to be included in said District is described as follows:

All that portion of Blocks 40 and 41 of the Subdivisions of the "S" Tract of Rancho El Cajon, in the County of San Diego, State of California, according to Map thereof recorded in Book 170, page 71 of Deeds, records of said County, bounded and described as follows:

Beginning at the most Easterly corner of that parcel of land conveyed to Henry Blakey by deed recorded March 11, 1952 in book 4399, page 562, Official Records of said County, as said corner is shown on Record of Survey Map No. 3306, filed March 1, 1954, in the Office of the Recorder of said County, said corner being a point on the Northerly line of that parcel of land described in deed to A. L. Tadlock and wife, recorded May 3, 1910 in Book 490, page 220 of Deeds, Records of said County;

Thence, along the boundary of said Blakey land, as shown on said Record of Survey No. 3306, the following courses:

1. South 31°24′ West 182.00 feet;
2. South 63°24′ West 368.00 feet;
3. South 22°36′ East 213.90 feet, to the Northerly line of that parcel of land described in deed to Suzanne J. Williams and Marguerite J. Erskine, sisters, recorded July 12, 1955 in Book 5712, page 487, Official Records of said County;
4. South 67°19′ West 304.50 feet to the Westerly line of said Blakey land, being also the Easterly line of that parcel of land described in deed to Hans U. Frymann and wife, recorded June 24, 1957 in Book 6632, page 434, Official Records of said County;
5. Thence, along said Easterly line of Frymann land, North 18°32′ West, 329.83 feet (329.95 feet, R. of S. No. 3306) and North 1°49′ West to an intersection with the North and Westerly line of the San Diego Flume Company right of way, as said right of way is shown on said Map of Subdivisions of "S" Tract, said North and Westerly right of way line being the common boundary line of the Helix Irrigation District and the Rio San Diego Municipal Water District; Thence, along said common boundary line of Helix Irrigation District and Rio San Diego Municipal Water District, the following courses:
6. In a general Easterly and Northerly direction along said North and Westerly right of way line, to the Northerly line of said Tadlock land;
7. South 64°36′ East along said Northerly line of Tadlock land, to the point of beginning.

NOTICE IS HEREBY GIVEN that said Board of Directors will hear said petition and objections thereto at 9:15 o'clock A. M. on Tuesday, July 25, 1961, said day being the regular meeting day of said Board next after the expiration of the time for the publication of this notice. Said hearing will be held at said time in the office of said Board, at 8111 University Avenue, in the City of La Mesa, in the County of San Diego, State of California.

NOTICE IS HEREBY FURTHER GIVEN to all persons interested in or that may be affected by the proposed inclusion of said land within said District to appear at said time and place and show cause in writing, if any they have, why said land or any of it should not be included as proposed in said petition, to which petition reference is made for particulars.

All of the said work hereinbefore generally described shall be constructed in the manner, to the grades, at the locations, within the limits, of the materials, and of the dimensions as show upon and in accordance with the plans, profiles, drawings, typical cross-sections and specifications therefor, contained in Document No. 303466, on file in the office of the Clerk of said Board of Supervisors and copies of which are on file in the office of said Engineer, and by ths reference thereto, all said plans, profiles, drawings, typical cross-sections specifications are made a part hereof. For a detailed description of the easements and rights of way to be acquired, reference is made to the aforementioned plans, drawings and specifications.

The said Board of Supervisors hereby determines and declares that serial bonds shall be issued to represent each assessment of Fifty Dollars ($50) or more remaining unpaid after the full expiration of thirty (30) days from the date of recordation of the warrant, to represent the expenses of said work and improvement. Said serial bonds shall extend over a period ending nine (9) years from the second day of January next succeeding the next September first following their date, and an even annual proportion of the principal sum thereof shall be payable, by coupon, on the second day of January every year following the next September first after their date until the whole is paid. Said bonds shall bear interest at the rate of six percent (6%) per annum, interest payable semi-annually, by coupon, on all sums unpaid until the whole of said principal and interest is paid; and said bonds shall provide that if said bonds are redeemed before maturity and before commencement of proceedings for sale, in addition to all other sums unpaid and accrued, a premium of five percent (5%) of the unpaid principal shall be paid. Said bonds shall be issued and the principal, interest and premium shall be paid under and in pursuance of the Improvement Act of 1911 and amendments thereto.

The contemplated work and improvement hereinbefore mentioned is, in the opinion of said Board of Supervisors, of more than local and ordinary benefit to the public and the expenses of such work and improvement are made chargeable upon the district hereinafter described, and said Board of Supervisors does hereby declare said district to be the district benefited by said work and improvement, and to be assessed to pay the costs and expenses thereof. Said district is described as follows, to wit: all that real property in the County of San Diego included within the exterior boundary lines of said district as shown upon that certain map bearing number RID 6024 indicating the exterior boundary lines of such district, which map, approved by said Board of Supervisors, is on file in the office of the Clerk of said Board of Supervisors of the County of San Diego as Document No. 303465, excepting therefrom all public streets, roads, alleys, avenues and highways. Reference is hereby made to the map for a full and complete description of the assessment district and the map shall govern for all details as to the extent of the assessment district.

The said Board of Supervisors has heretofore directed the Superintendent of Streets in accordance with Section 5254.5 of the Streets and Highways Code to include in the contract a provision for liquidated damages in case the work called for under the contract is not completed within the time limit as prescribed by the specifications and contract (or such extension of time as may be granted by said Board), and has fixed the sum of $75.00 per day for each and every calendar day's delay in completing the work in excess of the number of calendar days prescribed.

It is the opinion of said Board of Supervisors that the public interest will not be served by allowing the property owners to take the contract for the work to be done under these proceedings.

NOTICE IS HEREBY GIVEN that on Tuesday, the 25th day of July, 1961, at 2:00 o'clock p.m., in the chamber of the Board of Supervisors of the County of San Diego, Room 310, City and County Administration Building, 1600 Pacific Highway, San Diego, California, any and all persons having any objections to the proposed work or improvement, to the grade at which said work is to be done, or to the extent of the district to be assessed to pay the costs and expenses of said proposed work or improvement, may appear before said Board of Supervisors and show cause why said proposed improvement should not be carried out in accordance with this Resolution.

Such protest, if any, must be in writing and must contain a description of the property in which each signer thereof is interested, sufficient to identify the same, and shall be delivered to and filed with the Clerk of the Board of Supervisors of the County of San Diego, in Room 306 of said City and County Administration Building, not later than the hour hereinabove set for hearing. No other protests or objections will be considered.

The Clerk of this Board of Supervisors is hereby directed to cause this Resolution of Intention to be published twice in the Spring Valley Bulletin, the newspaper hereby designated for that purpose by this Board.

The Clerk of this Board of Supervisors is hereby directed to mail notice of the adoption of this Resolution of Intention, postage prepaid, to all persons owning real property proposed to be assessed, whose names and addresses appear on the last equalized County Assessment Roll, or as known to said Clerk, all in the time, form and manner required by law; if property assessed by the State under Section 14 of Article XIII of the Constitution is proposed to be assessed, such notice shall be mailed to every owner of such property at the address thereof shown on the last board roll transmitted to the County Auditor as required by Section 5070, Streets and Highways Code.

The Clerk of this Board of Supervisors shall, upon completion of the mailing of said notices, file with this Board an affidavit setting forth time and manner of the compliance with the above requirements for mailing such notices.

The Superintendent of Streets shall, after the adoption of this Resolution of Intention, cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet (300′) in distance apart, but not less than three in all, notices of the passage of this Resolution of Intention, and when the work to be done is only upon an entire crossing or intersection, or any part thereof, he shall cause such notices to be conspicuously posted in front of each quarter block or irregular block liable to be assessed and when the work is chargeable upon a district, he shall cause such notices to be conspicuously posted upon all open streets within such district at not more than three hundred feet (300′) in distance apart on each street so posted; all in the time, form and manner required by law; and thereupon said Superintendent of Streets shall cause to be filed in the office of the Clerk of this Board of Supervisors an affidavit showing the posting of said notices of improvement.

All of the herein proposed work shall be done in pursuance of an Act of the Legislature of the State of California, designated as the "Improvement Act of 1911" and amendments thereto.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 20th day of June, 1961, by the following vote:

WHEREAS, the above-described property will not at the time of delivery of title or possession be needed for school classroom buildings by said District; NOW THEREFORE

BE IT RESOLVED that in the judgment of this Board it is for the best interest of said District that said property be sold, and said Board hereby declares its intention to sell the same at public sale to the highest responsible bidder, for cash, and will convey title thereto by grant deed, together with copy of a policy of title insurance showing the above-described property vested free and clear in the purchaser, subject to easements and rights of way of record.

BE IT FURTHER RESOLVED that the terms of said sale are:

1. The minimum price for which said property will be sold is Twenty-seven Thousand Dollars ($27,000.00);
2. That the sale shall be completed through an escrow to be opened within 7 days from the acceptance of the bid. The escrow shall be for 90 days.
3. That the total purchase price shall be paid in cash.
4. That each bid must be accompanied by a certified check payable to the Grossmont Union High School District in the sum of One Thousand Dollars ($1,000.00).
5. That the District will pay one-half of the escrow fees. District will pay all other escrow charges, except that buyer must pay cost of all United States revenue stamps.
6. That the District will provide a standard policy of title insurance.
7. That the District will not pay any broker's commission.

BE IT FURTHER RESOLVED that this Board reserves the right to reject any and all bids written or oral. Oral bids will be received at the public meeting hereinafter specified, provided such bids are from responsible persons and exceed by at least 5% the highest writtten proposal received.

BE IT FURTHER RESOLVED that a public meeting of this Board be held at its regular meeting place, Board Room Administrative Offices, Grossmont Union High School District, Grossmont, California, on July 10, 1961, at 7:15 p.m. o'clock of said day, at which time and place sealed proposals to purchase said property will be received, opened, examined, considered and declared by this Board.

BE IT FURTHER RESOLVED that notice of the adoption of this resolution and of the time and place of holding said meeting shall be given by posting copies of this resolution signed by this Board or by two-thirds majority thereof at three (3) public places in said district for not less than fifteen (15) days before the date of said meeting, and by publication of this resolution in the Lemon Grove Review, a newspaper of general circulation published in said County of San Diego, once a week for three (3) successive weeks prior to said meeting; and the Secretary of this Board is hereby directed to post said copies or cause the same to be posted, and to cause said resolution to be published, all as provided herein.

IN WITNESS of the passage of the foregoing resolution in the form prescribed by law, we, the members of the said Board present and voting thereon, have hereunto set our hands this 12th day of June, 1961.

Re the Proposed Annexation)
to the LEMON GROVE)
Sanitation District . . . . .)

RESOLUTION OF INTENTION TO ANNEX UNINCORPORATED TERRITORY TO THE LEMON GROVE SANITATION DISTRICT AND NOTICE OF HEARING THEREON

On motion of Supervisor Dent, seconded by Supervisor Gibson, the following resolution is adopted and notice is ordered by the Board of Supervisors of San Diego County;

WHEREAS, Mrs. Robert F. Leet, et al, the owners of certain property in unincorporated territory of the County of San Diego contiguous to the Lemon Grove Sanitation District, have requested this Board (Document No. 303241) to annex said property to said Sanitation District under the provisions of the County Sanitation District Act; and

WHEREAS, the County Boundary Commission has approved the boundaries of the proposed annexation (Document No. 302919); and

WHEREAS, investigation of the proposed annexation by the Division of Engineering of the Department of Public Works discloses that said property is contiguous to said Sanitation District and that it would be desirable and feasible to sewer said property by extension of said District's lines (Document No. 303240); NOW THEREFORE

BE IT RESOLVED AND ORDERED;

(a) That it is the intention of the Board of Supervisors of the County of San Diego to annex to the Lemon Grove Sanitation District under the provisions of the County Sanitation District Act all of that contiguous unincorporated territory of the County of San Diego, none of which is now included in any other county sanitation district or other district or districts formed for similar purposes, bounded and described as follows:

All that unincorporated territory in the County of San Diego, State of California, lying within the following described boundary:

1. Beginning at the Southwesterly corner of Lot 5, Block 9, Calvocado Highlands, Map No. 2188, filed in the office of the County Recorder of San Diego County, said corner being an angle point in the Lemon Grove Sanitation District Boundary;
2. thence along said boundary, Easterly along the Southerly line of said Lot 5 and along the Easterly prolongation of said line to an intersection with the center line of Taft Street, as shown on said Map No. 2188;
3. thence Southerly along said center line to a point in the center line of Hughes Street, as shown on said Map No. 2188;
4. thence leaving said sanitation district boundary, Westerly along said center line of Hughes Street to an intersection with the Southerly prolongation of the Westerly line of said Block 9;
5. thence Northerly along said prolongation and said Westerly line to the point of beginning.

(b) That said Sanitation District following said annexation shall continue to be known by that name;

(c) That the Board of Supervisors hereby sets Tuesday, the 25th day of July, 1961, at the hour of 11:00 o'clock a.m. in the Chamber of the Board of Supervisors, Room 310 San Diego City and County Administration Building, Civic Center, San Diego, California, as the time and place fixed for the hearing of objections to the annexation of said territory to said District, or to the extent thereof.

(d) That the Clerk of the Board of Supervisors is hereby authorized and instructed to publish this resolution of intention and notice of hearing thereon at length in at least two successive issues not more than 30 nor less than 10 days prior to the time of said hearing in the Lemon Grove Review, a newspaper of general circulation in the County of San Diego, in the territory proposed to be annexed, and in said Sanitation District.

PASSED AND ADOPTED by the Board of Supervisors of the County of San Diego, State of California, this 20th day of June, 1961, by the following vote:

AYES: Supervisors Gibson, Bird, Dent, Austin, and Cozens

VALLEY DE ORO LITTLE LEAGUE

Fierce Pitching Battles Thrill Baseball Spectators

Matters Socks 7th Home Run; Bowl Beats 7-5

Some very close games arising from pitchers' battles, four homers and several outstanding plays gave the fans some thrills at the Valley de Oro Little League ball games this past week.

MAJOR SCORES

June 27. The **Golden Bowl** team took the game from **Jim's Richfield** and **L and R Auto Parts** by a score of 7-5. This turned out to be an 8-inning fracas with the score at 5 to 5 until the last of the eighth. Then Tom Matters, who also was winning pitcher, slammed out a homer with one man on. It was his seventh of the season.

June 28. **Summers Sporting Goods,** 11, **Woods Lathing Service,** 10. Winning pitcher was Wayne Kelley. Harold Phillips and Chris Tharp of the Summers team both hit homers.

June 29. **Pik Pak Pickles,** 9, **Polar Frozen Foods,** 2, with Larry Jones the winning pitcher.

WARD HITS HOMER

June 30. **Woods Lathing Service,** 4, **Jim's Richfield** and **L and R Auto,** 1. **Jack Welty** was winner on the mound. Garry Ward of Woods collected one homer and Alan Hansen, playing first base for Jim's and L and R, made a nice double-play unassisted.

July 1. In the first game of a double-header, it was **Golden Bowl,** 3, **Pik Pak Pickles,** 2. Dave Howerton was winning pitcher.

In the second game, which also was close, the **Polar Frozen Foods** team won by a score of 10-7 over **Summers Sporting Goods** team. Ken Gaddis was winning pitcher.

MINOR SCORES

June 27. **Jamacha Sand,** 22, **La Mesa Engineers,** 5. Winning pitcher was Mike Gentile. The Engineers were credited with a nice double-play; Rick Gilgo to Steve Bayless.

18-1

June 28. **Spring Valley Lumber Co.,** 18, **Expo Stucco,** 1. Dave Akers won on the mound in this "lopsided" game. Ron Schaefer of the Lumber team got a 3-base hit, and there was a nice double-play by Expo; Bruce Marshall to Mike Weeks.

June 29. **Sanitary Septic,** 11, **Casa Drugs,** 10. Ken Martin was winning pitcher.

WEEK'S HOTTEST

June 30. This was noted as being the hottest game of the week for the Minors; **S.V. Lumber Co.,** 9, **Jamacha Sand,** 8. Ron Schaefer was winning pitcher, and the Lumber boys were logged as having won 18 straight games.

July 1. In the first game of the double-header, it was **Casa Drugs,** 9, **La Mesa Engineers,** 8, with Joe Kirby as the winning pitcher. The Drugs team was credited with a double-play; Bruce Tatum to Tom Rasmussen.

In the second game, **Sanitary Septic** took the game 16-6 from **Expo-Stucco.** Ken Martin won on the mound and three of his team-mates did some outstanding playing: J. Showers got a homer, and Bruce Marshall threw to J. Showers in a double-play.

CAP SCORES

June 26. **Greens,** 11, **Blacks,** 10. Gary Tatum, winning pitcher. **Reds,** 8, **Maroons,** 7, and the winning pitcher was Dan Simmons. There was a nice double-play for the Reds; Simmons at s.s. to Jerry Gay at second. **Blues,** 7, **Golds** 6, with John Tyndall the winning pitcher.

July 1. **Maroons,** 8, **Greens,** 7, with Randy LaSalle the winning pitcher. **Reds,** 32, **Golds,** 2, and the winning pitcher was Steve Baker. Blues, **16,** Blacks, 4, with Ricky Pinnick the winning pitcher.

GENERAL MEETING

There will be a general meeting of the Valley de Oro Little League Thursday at 7:30 p.m. in the Spring Valley Junior High School auditorium. Main order of business will be election of officers, and all parents are urged to attend.

PICNIC

The annual Valley de Oro Little League picnic is scheduled for July 9 at Big Oak Ranch. There will be a ball game between the managers and parents. Boys who have made home runs this season will be the umpires. Also, the all-stars will be named at the picnic. There will be free coffee, ice cream and punch. Admission is 50 cents.

CAJON DE ORO LEAGUE

Season-Long Fight Ends—Almost—In Suspenseful Tie

It's been "fight, fight, fight," all this season between the **Elks** and the **Tigers** of the Cajon de Oro Little League Majors, and this past week it was a repeat as these two top teams of the League tied 4 to 4. The game is covered later in this account.

MAJOR SCORES

June 27. **Colts,** 3, **Lions,** 2, with Bruce Armstrong as the winning pitcher. Each team was credited with a home run; one by Ricky Clancy of the **Colts** and the other by Wesley Boyd of the **Lions.** A three-way double-play was executed by the **Lions;** Bruce Young on second to Mike Boas, behind the plate, to Richard Fretz at short stop.

June 28. **Bears,** 12, **Cougars,** 4, with Dennis Heyer the winning pitcher. The **Bears** chalked up one homer, that by John Mitchell.

TIE GAME

June 29. This was the tie game, 4 to 4, between the **Elks** and the **Tigers.** It was an 8-inning game, the **Elks** using Tom Arnold on the mound and the **Tigers** using Arvin Bhalla (who hit a home run) and Dave Junker. However, the game was called because of darkness. More than likely the game will be played off at a later date because of the two teams' high standings.

July 1. In the first game of the double-header, the **Elks** outran the **Bears** by a score of 11 to 5. Mike Garber was the winning pitcher. Each team collected two homers: Larry Papike and Tom Arnold of the **Elks** and Dave Miller and Pat Walsh of the **Bears.** The **Elks** were credited with a double play; a fly to Ross Dell, to Larry Papike.

In the second game, the **Tigers** got 10 runs, the **Lions,** 3, with George Stock winning on the mound. Steve Brotten of the **Tigers** collected the lone homer of the game. The **Tigers** also got the only double-play of the game; a fly to Dave Junker at third, who then threw to Mike Margulis at third.

MINOR SCORES

June 26. **Eagles,** 15, **Hawks,** 14, and the winning pitcher was Bill Thomson. The **Eagles** got the only double-play of the game, when Jim Weist in right field caught a fly and threw to George Axgeronos at second, catching the runner off base.

June 29. **Cardinals,** 18, **Larks,** 5, with the winner on the mound being Charlie Grimm. In the lone double-play of the game, John Ritter at short for the Cards caught a fly and threw to Brian Ritter at second, catching a man off base.

JACOBUS WINNER

June 30. **Hawks,** 27, **Orioles,** 8. Craig Jacobus was the winning pitcher.

June 31. In the first game of the double-header, the **Cards** swamped the **Eagles** by a one-sided score of 18 to 4, and again Charlie Grimm hurled his team to victory.

In the second game the score was twisted; **Larks, 21, Robins,** 12. Dave Brockett pitched the **Larks** to victory. Rooters for the **Larks** "went wild" when that team collected two grand-slam homers; one by Al Chavez and the other by Ronald Hansen.

Improvements For Race Season At Del Mar Listed

DEL MAR, Calif., (Spcl) — More than $150,000 has been spent on improvements—most of it in the stable area—at the Del Mar Turf Club in the past several months in preparation for the opening of the 22nd summer racing season, July 25, it was disclosed today by Don Smith, president and general manager.

Among the major projects is a new 46-stall concrete block barn, now under construction but expected to be ready for occupancy prior to opening. This will give Del Mar the distinction of having every barn on the grounds, except one 20-stall wooden building, constructed of either adobe or concrete block. Stall capacity for the meeting will be in excess of 1300 thoroughbreds.

REFURBISHING

Other improvements include a new stable area restroom building, plus re-furbishing of most of the existing facilities; renovation or replacement of some 62 portable tack rooms for living quarters; blacktop surfacing of the plaza, paddock and official parking areas in the grandstand and clubhouse section and extensive expenditures in painting, electrical and plumbing installations.

Smith also announced that the seaside courses will bring closed circuit television service to patrons, with 27 inch receivers located at 10 convenient locaions in the grandstand, clubhouse and turf club. This TV coverage will include a picture of the infield totalizator board during the wagering period and the actual running of the race.

Two New Tennis Titles Acquired By L.G. Star

Two new tennis titles have been acquired by Lemon Grove's tennis whiz, 13-year-old Cynthia Vogt of 8125 Roy st.

Cathy won the 13-year division championship of the California Junior Tennis competition at the Los Angeles Tennis Club June 25.

Last week, on Thursday, she took the championship at the S.D. County Junior Tournament at Coronado in her division.

Additionally, she won the doubles championship in her division at both Los Angeles and Coronado with Cathy Appel, a San Diego player.

This week she is competing in the tournament at La Jolla.

Top SV Pitchers Shine As Hitters

Two Spring Valley Little League pitchers, Tom Faris of **Watson Richfield,** and Bill Campbell of **Midget Market** proved their value last week by pitching winning games and adding to their teams score. Faris hit two doubles and a single and Campbell hit a triple to drive in three runs.

RUNDOWN

On June 26, the **Cosmics** won over the **Spacers** with a score of 11-6. Joe Fryberger, pitcher, was credited with the win. On June 27, Larry Deason struck out 11 men and got the win. **DeFalco's,** 11, **Noble's, 6.** Nick McDonald, third baseman for **Noble's** hit his first homer in this game.

On June 29, the **Meteors** won over the **Solars** with a score of 10-8. Mike Symons was winning pitcher. June 30 found **Watson Richfield** winning over **Spring Valley Estates** 10-4. Tom Faris, winning pitcher, struck out 10 men.

On July 1, **Cosmics,** 16, **Astros,** 9, and Ernie Arroyo was winning pitcher.

Ferry Brothers, 10, **Noble's Market,** 2, and Richard Aylward was winning pitcher. **Midget Market,** 11, **Solars,** 7, Bill Campbell was the winning pitcher.

Softball League For Girls Forming

The La Mesa Recreation-Park Department has received many requests for a Girls' Softball League, ages 11 through 16 years. Mr. Tom C. Lean Jr., superintendent, states that any girl wishing to join this sport should phone the Recreation Department, HO 9-4128, from 9 a.m. to 5 p.m., Monday through Friday. If enough girls are signed up within the next 10 days, a softball league will be formed for immediate play.

NIGHT SWIMMING

Night swimming is here. The La Mesa Municipal Pool at 8440 University ave. will offer night swimming Tuesday, Thursday, and Saturday from 7 to 9:45 p.m. throughout the summer.

Injustice has not a tithe of the power of justice.

Week of Heydays

SV Pony Leaguers Clout 9 Homers

It was a heyday (or hey-week) for hard hitters in the Spring Valley Pony League as there were nine homers clouted out, one going over the fence.

Here are the scores.

June 26. **Cochran and Co.,** 7, **Valley Pharmacy,** 5, with Dave Lehton as the winner on the mound.

June 28. **Berry's Sporting Goods,** 4, **Summers Sporting Goods,** 3. Rick Schwitzer was the winning pitcher. Mike Hentigan, playing center field for the Berry's team, made the outstanding catch of the game, jumping high in the air to stop one from going over the fence.

June 30. **Cochran and Co.,** 21, **Berry's Sporting Goods,** 9. Jeff McCombs was the winning pitcher. There were four homers by Cochran's team, Rudluff making two and one each by Lehton and McCombs.

ONE-HITTER PITCHED

July 1. In the first game of the double-header, it was **Southwest Trophy,** 3, **Summer Sporting Goods,** 0, and the winner on the mound was Ronnie Thomas, who has been consistant this season. He was credited with a one-hitter.

In the second game, the **Lemon Grove Merchants** beat out the **Valley Pharmacy** team by a score of 6 to 2. Rick McGuffin was winning pitcher.

July 2. **S.V. Merchants,** 17, **Berry's Sporting Goods,** 2. Ron Sabo was winning pitcher and one of four hitters for his team to hit homers, his going over the fence, the first over-the-fence homer this season. Other homers were by Sonny Baggett, Dave Burns and Gary Rains.

Justice discards party, friendship, and kindred, and is therefore represented as blind.

Scores Show Improvement Of Keglers

Standings in the bowling leagues at Golden Bowl this past week prove that the teams are not only more enthusiastic, but that the keglers are improving as time goes on. Several of the teams are in tying positions.

STANDINGS

As of June 20, here are the standings.

Gold Diggers: McGowan's Turkey Ranch and Hansen's Furniture Store, tied for first, and Ames Department Store, second.

89ers: Aristocrats, first; 8-Balls and T.G.I.F'ers tied for second.

Prospectors: Sanitary Septic Service, first; Team Number 2, second; Spring Valley Chamber of Commerce, Fast Print and Gold Diggers, all tied for third.

Hez and Shez: E's and W's, first; Cherry Pickers, second, and Pin Pickers, third.

Gold Strikers: Unlucky 4, first; 7-10's and Gutter Balls, tied for second.

Village Idiots: Gasoline Alley, first; Holy Rollers, second; and Plumbing Idiots, third.

Fire Department: Untouchables and Team Number 2, tied for first; Smoke Eaters and Team Number 1, tied for second.

Packaged foods — frozen, canned, powdered — are increasing in numbers today on the market shelf. Smart homemakers are finding out that creative cooking with these packaged foods can be fun as well as time-saving, particularly on hot summer days.

How do you apply your cooking skills to prepare these packaged foods? That's what we will discuss this month at our two cooking parties. Entitled "From Package to Plate," the programs will be presented **Tuesday, July 11,** from 10 to 11:30 a.m. and again **Tuesday, July 25,** from 1:30 to 3 p.m. They will be held in the **Air Conditioned** auditorium of San Diego Gas & Electric Company's Eastern District Office, at 104 North Johnson Street in El Cajon.

We will discuss soups, salads, full course meals, desserts and snacks — all prepared with packaged foods. Today you can buy powdered onions, cake mixes, frozen beans, dehydrated potatoes and dry salad dressing mixes. To use them can be time-saving and often time's economical. And we will give you hints (that aren't on the package) so that you can buy packaged foods to suit your family's taste. By demonstrating how to prepare special treats with these foods, we think you will be eager to try your hand at home in creating a new mealtime sensation for the family.

Plan now to attend our cooking program for ninety minutes of relaxed and air conditioned fun while we discuss new ideas in cooking — "From Package to Plate." There will be a valuable small appliance given away as a free door prize, and you may win. Admission, of course, is free.

Bosses of Grove Leagues Clash In 14-4 Game

The Lemon Grove Pony League coaches and managers won 14-4 over the Little League coaches and managers in a recent special game. Jim McClure pitched the whole game for the Pony League. Engstad and Jackson pitched for the other side.

Jackson of the Little League and Foote of the Pony League both hit doubles. The game remained close until the fourth inning.

Chargers Sign Up Ohio All-Star End

An already strong position, end, was further fortified by the San Diego Chargers of the American Football League lately with the announced signing by coach-general manager Sid Gillman of Youngstown University's Larry Jordan to a 1961 contract.

Jordan, a 6-6, 225-pound "Jack-of-all-trades," was named to the Ohio All-Star squad of 1960, an honor of great prestige when it's considered that the Buckeye state is resplendent with such institutions, renowned for their football prowess, as Ohio State, Miami, Cincinnati and Bowling Green, among others.

Merchants Ahead In LG League

The Lemon Grove Merchants with 15 wins and three losses lead the Lemon Grove Pony League as it enters the final week of its first season. In second place is **Fred's Auto** with 13 wins and five losses.

Each Pony League teams has two more games to complete the season. Other standings are:

Third—**Kiwanis:** 9 wins, 9 losses.

Fourth—**Lions:** 8 wins, 10 losses.

Fifth— **Burriston's Shoes:** 7 wins, 11 losses.

Sixth— **Jet Tools:** 3 wins, 15 losses.

SAFE

Today's freeway speeds demand safe tires, and V.I.P. is the tread rubber specially *engineered* to take this punishment —and still give extra miles! V.I.P. treads hug the road to give your family and all your passengers the protection they deserve. *And V.I.P. re-treads save you money!*

Your tire headquarters, Quality retreads in every size, type and price range for every kind of car, including foreign and compact.
